Elden Ring is a fantasy action RPG created by Tecmo Koei and will be released in the Fall of 2014 in North America and Europe. Available on PlayStation®4. For more information, please visit [AGREE AND DISAGREE WITH THE USER REVIEWS Top 3 Most Disagree Reviews](#)

1. "Sadly, I didn't find much worth to enjoy in this game and it shows in my score. I didn't really find that the story was interesting, it felt like I was doing the exact same things over and over again. Plus the combat is nothing to write home about either. This game sounds like a great MMO, but I can't see me playing it long-term."
2. "This game is far better than the likes of Oblivion or Dragon Quest 3, but not by much. It's a routine grind, nothing more. Whilst there is a ton of customization the game is not interesting. The game has lots of glitches, the combat system is simple and even the battle with lures in the Labyrinth is rather simple, the hardest battle I had."
3. "I love the concept of the game, combining combat with elements of role-playing. I got the impression that it might be a bit more than that, but I really don't know. The game does look like fun, and when I first downloaded it I was excited, but as I played more I actually started to dislike it, and that's something I never thought I'd do."

1. "I really like the Battle System in this game. It's well balanced and feels great to play. The Story was not as deep as it could have been, but for the most part it's very fun. I really love the amount of customization and the combat options are really well thought out. This game is really fun and I'm glad I got to experience it."
2. "The world is fantastic and the gameplay is amazing. The RPG elements can sometimes get a little confusing and the combat can be a little frustrating if you get yourself stuck in combat and you end up being sucked into the ethereal plane. The world is beautiful and almost very natural"

... a soldier, called Sandy seems not to have noticed him. To Sandy.

"What do you mean, this is a waste?"

Sandy looked around the empty street in front of the station. The low hills of the region were like the tawny dunes of the desert which started from the north. The sand dunes rose in size all the way to the Cerulean Sea where the wind blew strong and hard. A variety of noises drifted from the distance: shouts of people, the sound of a bell, marching feet of soldiers, ships on the shore, waves crashing; the smell of spicy food and fresh bread mingled with the smoke from charcoal braziers and the cold wind blowing through the cracks of the houses.

... hails a witch for protection. The witch asked for rice.

A soldier, called Sandy, seemed not to have noticed her. To Sandy, "What did you mean, this is a waste?"

Sandy looked around the empty street in front of the station.

"What do you mean, this is a waste?"

Sandy seemed very unhappy with her question
