The proper development of the social skills, emotional understanding and the ability to set and achieve goals are just as important. Unlike other nationalised Singapore schools, Kumon's tutoring programme focuses primarily on providing a nurturing environment to develop children's intelligence, and creating a sense of belonging and connection in a school environment. Kumon tutors come from the school's parent club, with a core of parent volunteers, and new tutors graduate every year. The current volunteer group comprises teacher-parents who wish to give their children a better education. Examples of tutoring on offer Children in both primary and secondary levels take part in classes that cater to their individual levels of development. Tutoring available for individuals or small groups, whether in the classroom or at home. Puerto Ricans Push for Overhaul of Legislative System SAN JUAN, Puerto Rico (AP) — The junta appointed by the U.S. territory's governor to govern during a monthlong interruption in the U.S. Congress' session last month took some of its first steps Monday to break the gridlock on more than a decade of legislature dysfunction.
